

SSRA STIPEND POLICY FOR REGIONAL EVENTS

SSRA desires to encourage and promote referees who are selected by the SRC to travel to Regional Events. These include, but are not limited to ODP, Regional Play-Offs and Presidents Cup. This does not include travel to National Camps or events which are funded by the SRC and/or USSF.

The Board strongly suggests that the Referee contacts a Board member or assignor as soon as possible during the youth season. This way, local assignors, instructors, coaches and mentors can provide feedback over a longer period leading up to the event.

To be awarded a stipend, the Referee must:

1. Work or mentor at least 20 games for the Seattle Chapter.
2. Be willing to share their experience after the event, either by working, mentoring or speaking for the Seattle Chapter.

The following is a matrix of stipend awards and expectations:

20 games: \$100.00

25 games: \$175.00

30 games \$200.00

Agree to provide some service after the event. Details to be worked out with the Board.
